

Rules for the Annual SCPF Exhibition

1. The Exhibition will consist of Print and PDI displays from participating clubs. Entries will comprise six prints or eight PDIs. The number of clubs entering prints will be limited by the display capacity of the venue.
2. The work submitted by clubs should be representative of the range of work by members of that club.
3. A photographer may represent more than one club, but may not submit images that are so similar as to be deemed the same.
4. A maximum of three images may be submitted by any one club member, but no more than two in any one section; i.e. one print and two PDIs or two prints and one PDI.
5. No image may be entered if it has been in any previous SCPF Exhibition in any format, nor any image which is so similar as to be deemed the same.
6. All prints must be on a mount sized 50 x 40 cm. (+ or – 2mm) to facilitate displaying in frames. Prints not complying with the size requirement will be judged but may not be displayed.
7. Prints will be displayed in three rows of two prints; the centre row must be two landscape-orientation prints. The prints must be numbered sequentially from top left to bottom right as set out in the separate diagram.
8. PDIs must be in jpeg format, max 1600px wide and 1200px high, and sRGB colour space. The required filename format is [SCPF Club No.] [Image No.] [Title]_[Photographer+Distinctions].jpg

Judging:

1. Each image will be marked individually. Prints will be judged in club sequence by image number (i.e. All clubs' first image, then all second image etc). PDIs will be judged in random order.
2. Images will be marked out of 10 points, with half points used as appropriate.
3. Club positions will be determined by the total number of points scored.

4. In the event of a tie for the highest scores, the judge will decide print placings by comparing the entries as a collection / panel, and for PDIs a countback will be applied (highest number of 10s, 9.5s etc)
5. Certificates will be awarded to first, second and third, and three highly commended club entries, and similarly for individuals in Colour Print, Mono Print and PDIs.
6. Certificates will be presented at the official opening of the Exhibition.
